About This Game

Paintball 707

is a first person shooter sports game for single- and multiplayer games.
Target is to mark the players of the opposite team and capture flags.

Features:

- for Windows, Linux & Mac PC
- 2 teams: green and red
- 9 different scenes: Abandoned Building Airfield, Arena, Castle, Dust, Hangar, Hardcore, Warehouse, Woods
- 9 different imaginary paintball markers: M-16 w/scope, M-1928, M-870, M-79, MAC-10, Mosin Sniper, STG-44, Victor 2, XVC-1
- some addons like Paintball 'Molotov' and smoke grenades
- gimmicks like speed multiplier (x2), gravity (zero gravity), bubbles and slowmotion

Multiplayer fast and easy

Multiplayer via Photon cloud so everyone can create MP-rooms fast and easy (no servers required, just an internet connection).

Free of violence

Paintball is a sports game and there's no violence at all.

Marked players won't die but lay on the ground to show they're hit.

Indie

The game is 100% indie and was made by just one person.

707 wth?

The first paintball game in 1981 was played in Henniker, New Hampshire (USA) with a Nel-Spot 707.
So the idea for the title was born. 707 also has a nice sideeffect. Just turn it around :)

REALLY FUN TO PLAY, 10/10 would play again, definitely buy this. game of the year. Same game every time I play. Nobody plays and I can't even get into a game.. This game is trash and is not even fun I am glad to refund.. This game is far better than XFP3, This is fun!

This game makes me want to kill myself lol

. This game is pretty swate.. I don't know a game more dank than this. Though only buy it to play with friends, then it's even more dank.. Was hoping for something like DPB and this isn't even close.. This game is far better than XFP3, This is fun!
